

# PARTS ONSITE PROGRAM CONSIGNMENT AGREEMENT

D&G's Parts Onsite Program is intended to provide maintenance and repair parts to D&G customers at fair market prices with the added benefit that these parts are located on the customer's property so that they are readily accessible by the customer. It is further understood that these parts are the property of D&G Equipment, Inc and the customer will not be billed for these parts until they are removed from the provided parts cabinet or designated area and considered USED. To avoid problems and complications that might prevent such a beneficial relationship from being successful the following contract must be understood and agreed upon.
